Dear Mr. Boughton:

I want to thank you very much for the pictures of General Donovan. We had several copies of the three-quarter bust photograph, but did not have the full-length picture of him and his wife. I had seen that picture in one of the books that had been written on the General. I have had that picture reproduced and will send it to the sculptor.

I have asked the sculptor to visit Washington sometime around the second week in August. When he is here I would like to make arrangements for him to visit you in New York, if your schedule will permit. I will give you a call when I hear from him and have a firm date of his visit. If you could take the time to talk with him, I'm sure it would help this project.

Again, I want to thank you for your assistance and I know Director Casey appreciates what you have done. I will give you a call when Mr. Anderson arrives in town and see if we can make some arrangements for him to visit you.

Sincerely,

/s/ Harry E. Fitzwater
